

Translating Captions in Google Meet

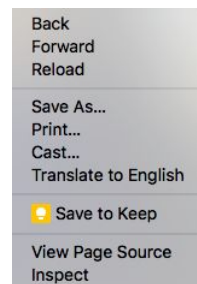

To turn captions on or off

1. On your computer, go to [Google Meet](#) or join a Google Meet link that was provided for you.
2. Join a video call.

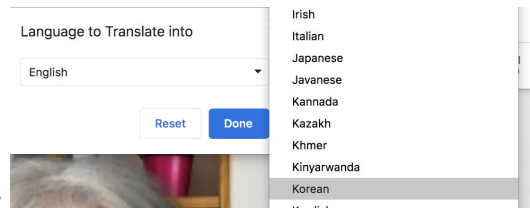

3. At the bottom of your Meet screen, click Turn on  or Turn off  captions or this can be accessed in the More Options menu in the bottom right of the Meet screen .

To change the language

1. Right click (or hold Control +click) to access the Menu
2. Select **Translate to English**

3. This tab will open  Click on  for options
4. Choose a language 

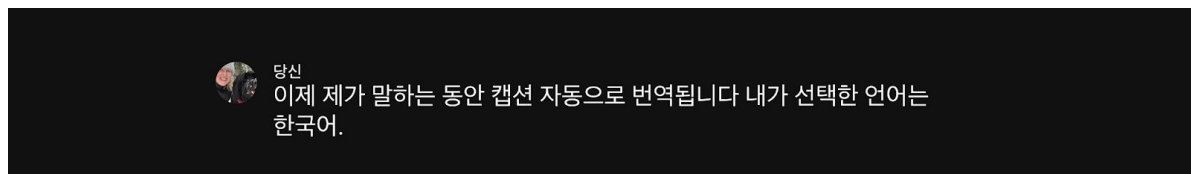

5. A drop down list will appear
6. Select your language.
7. Click Done.

Important:

Captions stay on for all future video calls, until you turn them off.

The language you choose is set to default, until you change it again.

If the captions are covered by your call controls, wait for the bottom bar to hide.
